

## The Bermuda Triangle Mystery Solved

What is this strange area in the Atlantic that seems to swallow up ships and planes without warning? Finally, thanks to Larry Kusche, a reference librarian at Arizona State University, we have a plausible answer to this most perplexing enigma. Intrigued by the many requests for information he received, Kusche went on an intensive hunt for knowledge. He gathered everything he could find about each incident from sources as diverse as the military, insurance agencies, and newspaper reports. The truth is here and its logical, smart, and backed up by evidence.
