

as my soul prospers: (poems and short stories)

Plagued by spirits of brokenness, bondage, inner rage, sadness, ostentatious fear, defiance and self indulgence; these are all emotional displays of my life that have kept me in bondage. Take this emotionally jolting voyage with me and see the intensity of my openness and willingness to share aspects of my life as I soon begin to walk a walk of humility and translucency while releasing myself to show a myriad of vulnerabilities and imperfections in hopes that my readers find familiar stories that they can relate to and grow from. A growth that ultimately begins and end with the soul. Though initially unaware, it will be found that there is a great disconnect with God and me; now trying desperately to figure out how to give Him complete and utter control my mind, body and spirit (without taking it back the moment things got rough or better even). Take this journey with me as my soul begins to prosper.
