

Hari Om: Mantra for Meditation

Beautiful and soothing, the Hari Om mantra is for healing and restoration. Engage with this mantra to bring physical, emotional and spiritual healing into your life. This tool is a powerful support to have playing when great focus is needed or when one is looking to find some calm in the middle of a busy day. Swami Radhas voice acts as an anchor calling one back into oneself out of the external into the internal realm. The mantra is a supportive force with benevolent properties that when played can be received by the listener on a subconscious level. Hari is another name for Krishna, in Hinduism. By chanting the name of this lord you are calling on his essential nature. And Om is the universal seed sound from where, it is said, all things began.
