Elements of Success is a new grammar course which helps students learn the real-world grammar they need to read, communicate, and write effectively. Grammar is clearly presented with highly visual charts and explanations, and extensive four-skills practice helps students apply and remember what they learn. Online Practice Plus takes learning beyond the classroom, with all new practice activities and automatic feedback which not only gives the right answers but explains why the answers are correct. The Elements of Success Level 4 advanced writing syllabus is organized around crucial aspects of academic writing rather than grammatical points, giving students the fundamentals and foundations for academic and professional success. The Online Writing Tutor, exclusive to Elements of Success Level 4, focuses on writing assignments, offering samples, structure, and planning notes, while allowing students to explore the elements of academic essay writing. The Online Writing Tutor also includes tests, progress reports, discussion boards, and further grammar activities, creating a valuable online resource for students.
