

Pinturas Que Cambiaron El Mundo / Paintings That Changed the World (Spanish Edition)

Un revelador recorrido por algunas de las mas influyentes pinturas de la historia del arte, desde el arte rupestre de las cuevas de Lascaux hasta la revolucion de Pablo Picasso. Pinturas que cambiaron el mundo nos propone que nos fijemos en noventa de las mayores obras maestras de la historia para analizar y entender que es lo que las ha convertido en verdaderos iconos, mas alla de su mera consideracion artistica. Redescubrimos asi estas obras a traves de textos concisos e informativos que examinan cada obra desde sus distintas facetas historicas y culturales y que nos brindan observaciones a menudo sorprendentes y anécdotas reveladoras sobre los artistas y su tiempo. Cada uno de estos ensayos esta ilustrado con magnificas imagenes a toda pagina, asi como con otras fotografias complementarias, y logra arrojar una nueva luz que nos permite comprender como -y porque- estas pinturas han logrado ser tan influyentes. Se trata en definitiva de un volumen que constituye una introduccion original y muy estimulante al mundo del arte. El libro esta compuesto por 192 paginas y contiene 199 imagenes en color.
