

## Ducketts Grove

Welcome to My Scrap Book which in holds a collection of fascinating history, with stories of the past and magnificent photos that speak a thousand words about the majestic of Ducketts Grove Castle of Carlow County Ireland. Here you will see the progression and the come back of Ducketts Grove that once laid in ruins with ghost stories just a few years ago. In 2005 the County of Carlow acquired the property and renovation has been in the works and now the walled gardens have been restored as they once were when full of life and beauty. Once again, Ducketts Grove mysticism draws much attention to visitors as it did over a century ago. An estate that dates back 300 years and that once covered 12,000 acres within six counties now offers it grandeur for all to see.
