

Love Romance Sex and Ego - A ground breaking approach to knowing yourself and others by the stars

You know exactly what Star Sign you are, right? Lets say youre a Leo. What kind of Leo are you? Really. No really!We know there cant be only 12 types of people in the world. And there is certainly not only one kind of Leo. Absurd. So how do we delve deeper? How do we identify the different types of Leos, or Pisceans, or Geminis, or Virgos and so on?Now we have 36 different kinds of Leos and some are simply wonderful but some are just downright ugly in many respects and so it goes with all the other Sun signs. Author / therapist, Shane Holst, has developed a way to help us understand the layers of each sign a way for us to identify (for example) the A Type Leo, the B Type Leo and the C Type Leo.Then Shane applies this increased understanding of Sun Signs to our Moon Signs, Venus Signs and Mars signs the very basics; the very building blocks of how we love; how we handle and express our romance & intimacy even the layers of our ego and sexual expression / appetite.Sharp, incisive and occasionally naughty, Love, Romance, Sex & Ego is a must for those serious about understanding themselves and others especially in relationships.About the Author: Author and therapist, Shane Holst brings to his books, workshops and private sessions over 35 years of experience, expertise, passion and commitment to helping raise social consciousness and spiritual awareness. Trained in Gestalt Therapy, Hypnotherapy, Depth Astrology and Community Building Workshop facilitation (one of only a few Australians to be trained by Dr M Scott Peck authorized trainers), Shane also served 4 years in the military (Royal Australian Navy) as a Sparker (communications) and 10 years in commercial radio as a broadcaster and then Senior Manager.Shane also founded the Australian Humanitarian Awards and Turtle Awards (acknowledging those who stick their necks out for the common good).
