

The Life of Mozart, Vol. 1 of 2 (Classic Reprint)

Why, it may be asked, should a Life of Mozart be brought before the public now, nearly a hundred years after his death? The answer is rather humiliating. Because Mozarts life and works are so little known and appreciated. It is only in the last year (1876) that a prospectus has been issued by Breitkopf and Hartel to obtain subscriptions for the very first complete edition of Mozarts works. A glance at that prospectus will show almost all who look at it of how very much of his writings they are absolutely ignorant. Whatever is in any degree likely to direct attention to the most melodious and lovely music in the world needs no excuse. All who know and feel what music may and ought to be, do well in trying to revive a purer taste, and in passing on the burning torch to younger hands. About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
