

Meditation: Find More Energy Within You

These common pressures of modern day life rob us of our natural physical and mental energies. They leave us drained, tired, and prey to illness. Yet for centuries, mankind has known how to combat them, and how to strike the delicate balance between mind and spirit that ensures health and happiness, through the art of meditation. In *Meditation: Find More Energy Within You*, Dr. Emmett Miller has developed a simple five-step series of relation techniques and affirmations that will help you .. Meditation is simply the art of relaxation, of letting go of the fears that keep us from doing our best. There is nothing magical or mystical about it. Meditation is a commonsense approach to tap the infinite storehouse of talent, energy and ability within you.
