

Meeting My Twin Flame: A True Story

This is a personal account of meeting my Twin Flame. Initially our meeting struck penetrating fear into my heart. Simultaneously my powerful draw to him had me wondering if I had a death wish. Ultimately the intensity of our encounter catapulted me into spiritual awakening and a journey of self discovery. The story is about a single, twice divorced, middle age woman desiring a healthy relationship and wanting to meet someone special. Instead she meets a local lumberjack who becomes her nightmare. Scared for her life she gets the police, FBI and a security guard involved. But when she realizes the even more terrifying truth, that no one can protect her from her own powerful desire to see him again, she seeks out the help of a shaman. As part of our human experience we forget who we are when we are born. Such is a true story of soul mates, past lives, meeting again, spiritual awakening and multidimensional healing. There is only one way out of her nightmare. To wake up...
