

Next Move 4 Teachers Book & Multi-ROM Pack

Next Move Teachers Book contains unit objectives, cross references to other course components, full teachers notes, answer keys and extra activities interleaved with the pages of the Students Book itself for quick and easy reference. At the end of the Teachers Book are the audioscripts for the listening activities in the Students Book and a full answer key and audioscripts for the Workbook. In short, everything you need to prepare and teach your classes in one easy reference guide. The Teachers Resource Multi-ROM contains:

- * Grammar and Vocabulary worksheets at two levels of difficulty;
- * Reading and Listening worksheets at two levels of difficulty;
- * Writing worksheets offering guided writing practice and model texts;
- * Speaking worksheets designed for use individually or in pairs.

The final section of the Teachers Resource material is a comprehensive collection of Tests which consist of:

- * an initial Diagnostic Test to allow teachers to assess how familiar students are with the grammar and vocabulary presented in the Starter Unit;
- * nine Language Tests to check the grammar, vocabulary and speaking items within each of the nine core units;
- * three Skills Tests for use after each three units to test general progress, language proficiency and fluency;
- * an End Of Year Test for use at the end of the course covering items from the whole level;
- * a full answer key.

Apart from the diagnostic test all the tests are at two levels of difficulty so teachers can test more appropriately and offer the correct level of challenge. All the tests are provided in A and B versions which are different in content as well as in order of presentation. The Teachers Resource Multi-ROM also contains the Workbook audio.
