

Holy Blood, Holy Grail Illustrated Edition: The Secret History of Jesus, the Shocking Legacy of the Grail

SPECIAL ILLUSTRATED EDITION WITH EXCLUSIVE NEW MATERIAL

One of the more controversial books of the 20th century. UPI Enough to seriously challenge many traditional beliefs, if not alter them. Los Angeles Book Times Review Explosive, thought-provoking, fiercely compelling, Holy Blood, Holy Grail breaks bold new ground with its shocking conclusions about the lineage of Christ and the legacy of the Holy Grail. Now this lavishly illustrated collectors edition features exclusive new material plus dozens of full-color photographs, drawings, symbols, architecture, and artwork, making it a dazzling feast for the eyes as well as the mind. Based on decades of research, filled with eye-opening new evidence and stunning scholarship, this authoritative work uncovers an alternate history as shocking as it is believable as it dares to ask: Is the traditional, accepted view of the life of Christ in some way incomplete? Is it possible Christ did not die on the cross? Is it possible Jesus was married, a father, and that his bloodline still exists? Is it possible that parchments found in the South of France a century ago reveal one of the best-kept secrets in Christendom? Is it possible that these parchments contain the very heart of the mystery of the Holy Grail? According to the authors of this extraordinarily provocative, meticulously researched book, not only are these things possible they are probably true. So revolutionary, so original, so convincing, the most faithful Christians will be moved; here is the book that has sparked worldwide controversy, now newly updated and beautifully illustrated for the collectors shelf. Like Chariots of the Gods... The plot has all the elements of an international thriller. Newsweek Compelling. Philadelphia Inquirer An astonishing hypothesis. Publishers Weekly
