

## Healing with God ~ Guided Meditation to Create Perfect Healing!

What does it mean to heal with God? That can only be answered by you. However, if you do not know what that means, then this CD & workbook may help you find the answer. In this guided meditation, you will be taken along a path of self-awareness ~ self-awareness that will prepare your thoughts and actions to be open to receiving healing. Healing from whatever source you choose. Meaning, healing from God, from your Higher Power, from Buddha, from St. Francis, from a crystal, a beautiful flower blossom ~ it is your choice. Your choice to be healed, as you see it. This CD will help you along that path to your highest form in body and spirit. PLEASE NOTE: This product is only for those listeners who are VERY familiar with visualization and meditation. If you are not well-schooled in either one of those modalities, then this product will not be that beneficial.
