A View of the Path

A brief inquiry into life and death. A look at our place in the Universe. Realizations, like the world we live in, are an ever evolving phenomena. The more we meditate the more we can realize Truth. I share here a few that I have had in the past couple of years. Having meditated for over thirty years I seem to have opened a door to insight and feel the need to share it with you. If you believe that there is more to life and death than meets the eye you will invariably find something of use to you in these few pages. Proceeds to go to Marie Curie Cancer Care.
