

A Quarters Worth of Humor

Need some good jokes, anecdotes, stories, and other humor? When I was a teacher, I liked to start my classes off with a good joke. Finding those that were funny, as well as classroom acceptable, was a chore. This book includes 45 (45 days equals one school quarter) of the best I collected over a very long time span. Whether for school, public speaking, auditioning, parties, church, youth group, or more - these will bring enjoyment and laughter from people of all ages.
