

iF Communication Design Award 2004 (iF yearbook communication)

Bringing the same keen critical eye to communication design that it has to product design, iF launches its new Communication Design Award annual for 2004. Covering the categories of digital media, print media, crossmedia, concepts, and the quixotic too good to be true, iF Communication Design Award supplements 214 award-winning entries with over 1000 color images, jury comments, an analysis of trends and developments in this dynamic sector, and a directory of designers, suppliers, and providers, making this a book of inestimable value for anyone in the design and media businesses.
