

## Spiritual Healing, 1914: Report of a Clerical and Medical Committee of Inquiry Into Spiritual, Faith, and Mental Healing (Classic Reprint)

A Conference of representatives of the Clerical and Medical Professions was held at the Chapter House, St Pauls, in October 1910 to discuss the asserted results and the rapid development of Spiritual and Faith healing movements. A Special Committee was nominated to consider and report upon the best methods of closer cooperation between the two professions. At a second Conference held in October, 1911, certain preliminary conclusions, or findings, of this Committee were unanimously adopted and published and forwarded to the Diocesan Bishops and the Medical Corporations.
