

Construction Leadership from A to Z: 26 Words to Lead By

Rapidly changing demographics in the construction industry and an unpredictable economy are just two challenges that require you to lead at a higher level than ever before. This book will prepare you to meet these challenges head-on. The result of exhaustive research and in-depth interviews with construction professionals across North America, Construction Leadership provides the information, tools, and confidence to deliver the leadership required for success in today's construction industry. From ensuring quality work and learning how to have a better attitude to fostering loyalty and leading across generations, Construction Leadership shows you how to be more effective and enjoy more success. With an easy-to-use format, this book provides practical information that you can put into action immediately. Each chapter stands alone to save you time and is supported by online video, increasing your return on investment. Not reading this book puts you at a competitive disadvantage—but reading it puts you well ahead of the game.
