

The Timebound Traveler: How My Journey as a Seeker Came to an End

Direct realization versus love and devotion for God with formare these two paths mutually exclusive? David Newman (Durga Das) tells of an unexpected inner journey that led him to ask himself: Was I leaving my devotional path behind, or was the pursuit of a conclusive spiritual awakening the very revelation that the path itself had indicated? Davids journey started with what he calls a lightning bolt, which led him to question his own identity. With heart-warming honesty, he relates how the integration of the two paths came about through unwavering grace. What I was initially most afraid of ultimately brought the greatest gift.
