

## Atelier Daciano Da Costa: The New Generation

The intention of this title is to present and document the work and the Practice of the most important figure of a first generation of designers in Portugal. It celebrates the school of work, the influence of Daciano da Costa and the achievements of the Atelier. In effect, it therefore also displays the work of a generation of architects and designers. An exceptional account of one of Europe's finest architects supported by plans, drawings, explanations and the values which informed each project.
