

# The Complete Book Of Color Healing: Practical Ways to Enhance Your Physical and Spiritual Well-Being

Color influences moods and personalities. This richly illustrated guide of the science, psychology, and language of color reveals ways to enhance physical well-being and generate pleasing sensations of energy, excitement, and joy. Create therapeutic environments that nourish the spirit at home, in the garden, and at the office. Chart the colors to see if someone is a compatible mate, to increase your child's happiness, and to use in connection with chakras, breathing exercises, acupuncture, and other restorative techniques. ...this reasonably priced book illustrates its points with colorful drawings and pictures....packed with information, techniques, exercises...--The New Times.
