English in Mind is a 5-level course for teenagers. The course provides engaging content for teenagers which combines a strong focus on grammar and vocabulary. Each level contains 16 units grouped into 4 modules. Clear learning objectives at the beginning of each module, plus Check your Progress sections at the end, help students and teachers plan learning more effectively. Each level of the course provides 80-90 hours of class work and the course can be used with mixed-ability classes and offers dual entry points at Level 1, which is for elementary students and contains a 16-page starter section to revise key language. The Workbook exercises support work completed in the Students Book and include Study help, Skills in mind pages, Unit Check pages as revision and a Grammar reference section. The Workbook is also accompanied by an Audio CD / CD-ROM which contains the listening material for the Workbook and a CD-ROM element containing definitions for glossary terms and carefully graded grammar exercises.
