

Leading for Freedom -- Leadership Skills for Republicans

Written from the perspective that the Republican Party is still the party of freedom, *Leading for Freedom: Leadership Skills for Republicans*, is a leadership development primer for all Republicans, including grassroots volunteers, paid employees, and elected officials, who want to do something more in the pursuit of freedom. Tackling such core leadership skills as team building, communicating, delegating, and managing conflict, Woods & Dashiell shed light on the connection between a leader's behavior and his or her organization's results. This practical, yet powerful manifesto, seeks to inspire and challenge Republican activists to set leadership development goals and to take action -- all in hopes of strengthening the Republican Party, to ultimately spread the cause of freedom. Our democracy requires strong leadership, both at the national level in Washington and at the grassroots level in towns and cities across the country. That's why this book is so important. Rachel and Toni Anne show they have thought long and hard about the most effective ways to advance our shared conservative principles. *Leading for Freedom* provides sound advice for elected leaders and private citizens hoping to make a difference. U.S. Senator John Cornyn Today many who are elected or work in political parties think a leader is someone who watches which way the band is marching and runs to get in front. Not only are such people not leaders, they are the worst kind of followers. Rachel and Toni Anne do an amazing job of not only teaching about true leaders, but also disclosing how to become a leader or become a better one in very concise steps. They also utilize factual examples that indelibly etch the lessons in our minds. This is an invaluable resource. U.S. Congressman Louie Gohmert *Leading for Freedom* is a timeless resource for grassroots Republicans. U.S. Congressman

Lamar Smith Texas has established a strong model of conservative leadership for the nation to follow. Leading for Freedom is a roadmap to continue on our journey by educating the leaders of tomorrow. Rachel and Toni Anne have done a great job of laying out a clear and crisp blueprint for Republicans. I commend them for their fine work. Susan Combs, Texas Comptroller Leading for Freedom is a great treatise on small unit leadership that is the base and foundation of our party. Most of all, as Rachel and Toni Anne teach the skills of effective leadership, they also inherently teach the most important trait for future leaders, and that is to first be a good follower. Lt Col (Ret) U.S. Army/Texas State Senator, Brian Birdwell Some talk the talk, but fail to walk the walk. Dashiell and Woods put on paper how to do both and win! Luke Marchant, Former Political Director for Sen. Marco Rubio I am just thrilled to be able to endorse this book written by Toni Anne Dashiell and Rachel Woods. Their expertise and knowledge of the political process, training candidates and implementation of the how to plans for success has proven to be valuable at both local, state and national levels of government. Easy to understand with real life examples of TEAM building make this book a must read for everyone wanting to participate in the political process. Two women with great leadership skills sharing their ideas to make a difference for a better America! Sue Lynch, Past President National Federation of Republican Women Four Stars! Leading for Freedom is sure to be an instant classic among Republican activists. Melinda Fredricks, Vice-Chairman Republican Party of Texas Republican leaders, Woods and Dashiell, have drafted a straightforward book which acts as a colorful atlas showing us the smart route in our quest to winning elections.
